

Christian Aid

Christian Aid week 2021

May 10th to May 16th.

Christian Aid like many charities is struggling due to Covid 19. Just as their partner organisations in third world countries are struggling due to lack of vaccines, crippling national debt and fire, flood and drought caused by climate change.

There will be no house to house collections again this year due to the Covid 19 restrictions so we have to adapt.

We are holding a sponsored sleep out and prayer vigil bearing witness to those less fortunate than ourselves.

There will be a constant presence at Mobberley Methodist Church 24/7 from the 10th to the 16th May.

Please come and join us.

A contactless device will be available for donations or if it is easier please go to

<https://giving.tapsimple.org/online/christian-aid/sponsored-sleep-out-and-prayer-vigil>

Please give generously and think of **Christian Aid** when you give thanks for your job.
