The first thing I want to do when we can go out is:

The first thing I want to buy is:

The first person I want to play with is:

The thing I liked most about staying home was:

The thing I won't miss is:

When I was at home, I spent most of my time doing:

The thing that bugged me the most was:

What I missed about school was:

If I had to do this again, I would:

My favourite memory was:
