## Keira Sky Pierce

**State:** Texas **School:** Tomball Memorial

Pierce and her H Skyline The Woodlands 16 Royal team finished second in the tournament with four wins and three losses. A very quick and mobile setter, she floated around the court with ease and was excellent at getting to the ball. Pierce used her middles as much as she could, showing an interesting repertoire and great chemistry with them, and was extremely precise with the location of her sets. She was also very active on the backcourt, had good serving runs and getting several touches on defense.
