Important Notes

Player of the Day Certificates & G'rilled Vouchers: You have been provided with enough Rockingham Raptors Player of the Day Certificates (1 per game) and G'rilled Voucher Certificates (1 per child) for the entire season. No additional certificates will be issued during the season, so for some games, only a Rockingham Raptors Player of the Day certificate will be available to award.

The number of G'rilled Voucher Certificates in your pack is based on the team size at the time the packs were assembled. If a new player joins your team after the season begins, we will arrange an additional certificate from G'rilled on their behalf.

Player Magnets Each player has been allocated 2 magnets — one for fielding and one for batting. Please use the permanent marker included in your pack to write each player's name on their magnets. These will be used on game days.

Thank you for your dedication and support — we hope you and your team have a fantastic season!
