PRAYER OF THE DAY – Emma Jane McNicol, 2020

Lord you gave a command to your disciples to ask you to send out workers into your harvest field. The world I live in still appears to be like a world where people – my colleagues, my family, my friends and neighbors—have lost their way. People are like sheep who have gone astray. May you send workers out into this world to draw others to you, please send workers to speak your truths into this broken world and if you so choose Lord, please send me. AMEN!

To end this time of worship, say this blessing out loud together – 1 Corinthians 15:58

Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain. AMEN!
