

Personal Touch

Neighbourhood Care has been successfully providing the quality care with a difference in Burnham-on-Sea since 2011. We pride ourselves on delivering care with a personal touch. Our packages are individually tailored to suit our client`s needs at any given moment, which means they can always maintain their independence and receive the right amount of support.

Looking after local community

Neighbourhood Care philosophy is deeply set in the feeling of having a strong community, where locally employed staff care for local residents and people are prepared to go the extra mile to bring on the best quality care to service users they look after. We believe everybody deserves to be treated with respect and dignity and that is how we serve our clients.

Always happy to help

Our care staff and managers are very approachable; we always listen to views and comments, so we can keep improving our services. Please do not hesitate to contact us, we will be more than happy to assist you with finding the best option for you.

“ If we did not have Neighbourhood Care around, the only option for John would have been a care home. But luckily the support we receive allows us to live together in our family home

Barbara

“ I have had three different agencies before, but only Neighbourhood Care was able to deliver a care package where the demands of my Motor Neuron Disease condition have been properly managed and allowed me to stay in my own home

Jack

Our services

Neighbourhood Care provides quality care in the community to adults with all ranges of needs. We are experienced in managing not only complex conditions as Motor Neuron Disease, Multiple Sclerosis, Post Stroke Care, but also in helping with everyday tasks to maintain the independence.

Our highly skilled staff delivers a variety of services:

All aspects of Personal Care

- Help with getting up in the morning or going to bed (including: wash, shower or bath)
- Assisting with medication

Care through the night

- A „waking night” service – for clients who require a frequent attention during the night
- A “sleep in” service – for clients who do not want be left alone during the night

PEG Feeding

- Feeding using the bolus method
- Feeding using NUTRICIA FLORACARE PUMP

Care after leaving Hospital; RE-ABLEMENT

- Short term care to help regain confidence

End of life Care

- Comfort and professional support accordingly to individual needs

“ Neighbourhood Care provides me with a peace of mind. I always know what time they are coming and I can plan my days ahead. I could not wish for a better service

Rose

“ My mum suffers from dementia. Having a limited number of carers, means she always sees a familiar face and copes better with her everyday challenges

Elizabeth
