

KENDRICKS

COFFEE ROASTERS & TEA BLENDERS SINCE 1964

Coffee Tasting & Creating

Indulge in a refined coffee experience with our expertly curated Coffee Tasting and Making experience. You will be guided through a selection of premium coffee beans from around the world, allowing you to explore unique flavours and aromas. This will be followed by putting your new wealth of knowledge to the test, by curating your very own coffee bean or ground mix to take home.

£25 per Head
