

Today

Today I will delete from my diary two days: yesterday and tomorrow. Yesterday was to learn and tomorrow will be the consequence of what I can do today.

Today I will face life with the conviction that this day will not ever return.

Today is the last opportunity I have to live intensely, as no one can assure me that I will see tomorrow's sunrise.

Today I will be brave enough not to let any opportunity pass me by, my only alternative is to succeed.

Today I will invest my most valuable resource: my time, in the most transcendental work: my life.

I will spend each minute passionately to make of today a different and unique day in my life.

Today I will defy every obstacle that appears on my way trusting I will succeed.

Today I will resist pessimism and will conquer the world with a smile, with the positive attitude of expecting always the best.

Today I will make of every ordinary task a sublime expression,

Today I will have my feet on the ground understanding reality and the stars' gaze to invent my future.

Today I will take the time to be happy and will leave my footprints and my presence in the hearts of others.

Today, I invite you to begin a new season where we can dream that everything we undertake is possible and we fulfil it, with joy and dignity.
