Dear Rob:

This letter serves to confirm that the products listed in the table below were previously approved in 2013 under the Whole Foods Market Ecosale Program and met the requirements of the program at that time. All outstanding documents have been received to meet the Green tier of the Ecosale Program.

Kind regards,

Justin Iverson
Environmental Scientist

Achieving compliance within the Green tier indicates the product met the following requirements:

1. Only 100% natural ingredients
2. No petroleum derived ingredients
3. 100% natural fragrances
4. No ingredients with moderate environmental safety concerns
5. No DEA, MEA, or TEA surfactants that have the potential to contain nitrosamines and other impurities
6. No synthetic petroleum derived thickeners made from non-renewable sources
7. Full transparency: disclosure of ingredients on packaging by April 2012
8. Independent 3rd party verified compliance to standards
9. No ingredients with significant environmental or safety concerns
10. No formaldehyde donors: preservatives which have the potential to release formaldehyde

11. No phosphates, chlorine or synthetic colors
12. No animal testing
