

## SAFETY DATA SHEET

Revised: 1/1/2022

National Poison Control Center (24 hours): 800-222-1222

Enviro-Hotels  
24 East Ave #138  
New Canaan CT 06840  
PH. 2037233003

### Section I: Product Identification

Name: **ORGANIC SIX IN ONE POWER CLEANER**

Fema Number: N/A

Ingredients: Orange Oil Citrus dulcis 8028-48-6; Organic Lemon Oil Citrus limonum 84929-31-7; Organic Eucalyptus Oil Eucalyptus smithii 91771-68-5; Organic Tea Tree Oil Melaleuca alternifolia 68647-73-4; Organic Lavender Oil Lavandula angustifolia 97660-01-0; Organic Rosemary Oil Rosmarinus officinalis 8000-25-7; Organic Myrrh Oil Commiphora myrrha 8016-37-3 Organic Proprietary Blend Liquid Oil Castile Soap: Coconut Oil Cocos Nucifera 65381-09; JoJoba Oil Simmondsia Chinensis 61789-91-1; Olive Oil Olea Europa 232-277-0; Aloe Vera Aloe Barbadensis Miller 05507-69-3

### Section II: Physical Data

Odor /Appearance: Colorless to slightly milky liquid; aromatic odor & fruity, soapy taste

Boiling Point: Not Determined

Melting Point: Not Determined

Specific Gravity (Water=1.0): 0.905 – 0.925 @ 25 Deg C

Solubility in Water: Semi Soluble

Vapor Density (Air=1): > 1

Vapor Pressure: Not Determined

### Section III: Fire, Explosion and Reactivity

Flash Point: NON-FLAMMABLE

Extinguishing Media: [X] Water [X] CO2 [X] Foam [X] Dry Chemical

Special Firefighting Procedures: No special requirements

Unusual Fire and Explosion Hazards: No special requirements

Hazardous Decomposition Products: None known

Stability: Stable under normal conditions

Conditions to Avoid: No special requirements

Materials to Avoid: No special requirements

Hazardous Polymerization: Will not occur

#### **Section IV: Protection Information**

Eye: No special requirements

Respiratory: No special requirements

Skin: Disposable vinyl gloves, if desired

Ventilation: General

Other Protective Devices: No Special requirements

#### **Section V: Occupational Exposure Limit**

Threshold Limit Value (TLV): Not determined

OSHA Permissible Exposure Limit (PEL): Not determined

Has the Substance been listed as a Carcinogen? ☐ Yes ☒ No

#### **Section VI: Health Hazard Information**

May cause minor irritation to skin and eyes

#### **Section VII: Emergency and First Aid Information**

**Eye Contact:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes and then continue rinsing. Call a doctor or poison control center for treatment advice, if irritation develops or persists.

**Skin Contact:** Not harmful - Rinse with water if skin contact occurs.

**Ingestion:** Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a doctor or poison control center. Do not give anything to an unconscious person.

**Inhalation:** No special requirements

**Notes to Physician:** Treat symptomatically.

**Most important symptoms and effects:** Acute exposure may result in eye irritation.

#### **Section VIII: Spills, Leaks and Disposal Procedures**

If Material Spill or Accidentally Released: Contain spill with inert absorbent material and place in any containers.

##### **Waste Disposal Methods:**

**Household Setting** - Bottle May be recycled or disposed of in accordance with local, state and federal regulations. Small spills and leaks may be cleaned up and disposed of in normal trash or diluted and disposed of via sewer.

**Industrial Setting** - When disposed as waste in its original form, this product is not considered hazardous waste under Federal regulations, however regulations may vary by state or province and may designate it as hazardous waste. Check with your local waste and waste water authorities. We are aware of the following state waste classifications:

**California Hazardous Waste Code 232**

**Washington Hazardous Waste Code WT02**

**Vermont Hazardous Waste Code VT06**

**Michigan Liquid Waste Code 029L**  
**Connecticut Hazardous Waste Code CT04**

## **Section IX: Handling and Shipping Procedures**

Store in sealed containers in cool, dry place away from direct sunlight. Follow good industrial and hygienic practices.

## **Section X: Ecological Information**

**Environmental Fate** - No adverse effects expected.

**Mobility in Soil** - Not available.

**Bioaccumulative Potential** Not applicable.

**Ecotoxicity** – No adverse effects expected

## **Section XI: Other Information**

### **Hazardous Materials Identification System (HMIS) Rating**

**HEALTH - 0**

**FLAMMABILITY - 0**

**HAZARDOUS PROTECTION - 0**

**PERSONAL PROTECTION – A**

Legend: 4-Severe, 3-Serious, 2-Moderate, 1-Slight, 0-Minimal

**Target Organ Effects** - Not expected to have chronic health effects.

**Mutagenicity** - Not expected to have chronic health effects.

**Teratogenicity** - Not expected to have chronic health effects.

**Reproductive Effects** - Not expected to have chronic health effects.

**OSHA** - No Ingredients Listed

**IARC** - No Ingredients Listed

**NTP** - No Ingredients Listed

**Carcinogenicity** - Not expected to have chronic health effects.

**Sensitization** - Does not indicate a potential for allergic contact sensitization.

**Effects of Chronic Exposure** Not expected to have chronic health effects.

## **Section XII: Chemical And Toxicological Information**

**Hazardous Decomposition Products** - None known.

**Industrial Setting** - None known.

**Incompatible Materials** – None Known

**Industrial/Household Setting** - In general, cleaning products should not be mixed with other household chemicals, unless specifically provided for in the use directions.

**Conditions to Avoid** - None known.

**Possibility of Hazardous Reactions** - None known.

**Chemical Stability** - Stable.

**Reactivity** - None known.

**Decomposition Temperature** - Not available.

**Auto-Ignition Temperature** - Not combustible.

**Flammability** - Not flammable.

**VOC (weight %)** - Not available.

**Viscosity** - Not available.

**Partition Coefficient: n-octanol/water** - Not available.

**Solubility in Water** - Semi Soluble

**Vapor Density (Air = 1)** - Not available.

**Relative Density** - Not available.

**Specific Gravity (H<sub>2</sub>O = 1)** - 1.00 - 1.02

**Vapor Pressure (mmHg)** - Not available.

**Lower Explosive Limit (LEL)** - Not applicable.

**Upper Explosive Limit (UEL)** - Not applicable.

**Evaporation Rate** - As per water.

**Flash Point** - Not available. Aqueous Solution.

**Initial Boiling Point and Boiling Range** - As per water.

**Freezing Point** - As per water.

**Melting Point** - As per water.

### **Section XIII: Consumer/Commercial Product Label Information**

**KEEP OUT OF REACH OF CHILDREN**

#### **DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO CLEAN:** Wet the surface with the spray & wipe clean. For stubborn stains, let stand for a few minutes. Allow to penetrate, then wipe clean. (spot test to check surface compatibility)

**FOR HEAVILY SOILED OR GREASY AREAS:** Spray onto Baking Soda and make a paste then apply the paste and scrub clean. (spot test to check surface compatibility)

**TO DISINFECT:** 1. Wet the surface by sprayer (spot test to check surface compatibility). 2. Leave for 10 to 15 minutes then re-apply and wipe clean.

#### **STORAGE & DISPOSAL**

Store airtight at room temperature. Non-refillable container. Do not reuse or refill this container.

#### **FIRST AID**

May sting if accidentally sprayed into eyes. Soothe by rinsing with clean water.

**NOTE:** SHELF LIFE EXPECTANCY IS 2 TO 3 YEARS UNOPENED AND 1 + YEARS AFTER OPENING. FOR BEST RESULTS ALWAYS STORE IN A COOL, DARK, DRY PLACE.

Offer empty container for recycling. If recycling is not available, discard in trash.

## **SUSTAINABILITY & EARTH-FRIENDLY:**

All essential oil, raw ingredients used in our formulations are sustainably farmed and/or ethically derived, from plant materials that are never in danger of over-harvesting. Of particular concern are essential oils including: Kenyan Cedarwood, Himalayan Cedarwood, Rosewood, Sandalwood, Amyris, Jatamansi, Gentian, Wormwood, as they may well be derived from threatened and illegally harvested wild plant stocks.

We offer outstanding products made from simple and pure botanical ingredients that improve the well-being of those who use them. As we purvey the world to find the best quality organic essential oils, we look for sustainable growing methods that preserve and improve land and resources for the future.

As a natural products manufacturer EcoKindness is keenly aware of our potential impact on the environment, and we're committed to responsible stewardship of our planet through the reduction of our carbon footprint and other sustainability initiatives.

We understand that everything we do has an impact on people and the environment, which is why we undertake to ensure that we operate in an ethical and socially responsible way. With a deep-rooted respect for the world's resources, we are committed to ensuring a sustainable, fair and rewarding future for all our staff, suppliers and growers – wherever they live. The twin threads of strong ethics and social accountability are intrinsically woven throughout our business.

***Please note:*** This product is manufactured and marketed for industrial/consumer use and should be used as directed on the product label for the intended purpose. Eco Kindness LLC warrants that this product conforms to our standard specification when released to the market and when used according to directions. To the best of our knowledge, the information contained herein is accurate. However, we do not assume any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of the suitability of any product is the sole responsibility of the user. All products may present unknown hazards and should be used with requisite caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.

*This SDS was generated using reliable and current sources. However, the data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for use of this product and to assume liability for loss, injury, damage, or expense resulting from improper use of this product. Various federal, state or local agencies may have specific regulations concerning the transportation, handling, storage, use or disposal of the product which may not be reflected in this MSDS. The user should review these regulations to ensure full compliance.*
