

**13-21 May 2026 with  
Helen Forty & Daniel Darby**

### **Spiritual Retreat**

We will spend about half our time visiting sacred places to connect with the energy. The other half will be doing ceremony and magical practices to manifest what you want in life.

We will stay together in a large comfortable house just outside Glastonbury, UK.  
Facilities include a hot tub & sauna.

### **Shamanic Magic:**

Daniel & Helen are both experienced shamanic practitioners. Ceremonies & rituals will be based in a combination of Wiccan and Celtic wisdom with some ancient Egyptian influence.  
Ceremonies will focus on manifesting what you want in life. This may include abundance, healing and spiritual transformation.

### **Sacred Sites:**

Helen & Daniel will guide you through the ancient sites including stone circles, healing wells & places of power. When possible we will arrange private or special access. Locations include:

- Avebury Stone Circle
- West Kennet Long Barrow
- Stonehenge Inner Circle access
- White Well Glastonbury
- Chalice Well
- Wells Cathedral
- Glastonbury Tor
- Glastonbury Abbey
