Introduction to

Ancient Egyptian Channelling

In ancient Egypt the priests/priestess were trained to channel gods/goddesses. Helen remembers being part of this tradition. The purpose for channelling ancient Egyptian deities is to raise consciousness and receive messages.

You can think of the gods/goddesses of Egypt like ascended masters or archetypes. Each has its own frequency and wisdom.

Gods/goddesses we will learn about include:

- Horus: Enlightened leader/hero & Spiritual Warrior
- Osiris: Deep Relaxation & Inner power
- Isis: Compassion & Magic
- Hathor: Joy & attracting abundance
- Sekhmet: Lioness Power & Courage
- Thoth: Intellect & Channeled Writing

Which one are you most drawn to? Helen will share stories about these sacred beings and start the process of teaching you channeling postures to help you to connect.

Topics & benefits of this workshop include:

- Learn about the gods/goddesses of ancient Egypt
- Increase your intuition
- Receive a message or insight for yourself
- Have fun!

Date: Saturday 18 October 10:30am-1:30pm

Ancient Egyptian Channelling

Helen has a unique method for channeling. She remembers it from her past lives in Egypt. It is easy to learn and very effective. It includes learning specific postures and how to call the energies of the gods/goddesses. It is a very interesting and enjoyable experience.

One of the benefits is that it is a safe method of channeling. This is because you are connecting with specific benevolent energies. It is like using a password to access a particular frequency.

You will learn how to channel for yourself as well as channel for other people.

We will focus on the best known gods/goddesses: Horus, Osiris, Isis, Hathor, Sekhmet & Thoth.

Topics & benefits include

- Experience being One with an enlightened Being
- Raise your own vibration
- How to channel for yourself
- How to do channelling readings for others
- Automatic Writing
- Spiritual teachings from ancient Egypt
- Crystals to support channeling
- Have fun!
