亞特蘭提斯水晶解讀課程

喚醒你接收和解讀水晶訊息能力

亞特蘭提斯水晶解讀 Atlantean Crystal Readings

學習進階水晶靈讀：

Helen 將教你如何通過通靈連結水晶的能量，感受其震動並獲得洞見。她亦會指導你進行「凝視占卜 (Scrying)」：一種古老的凝視媒介進行占卜的方式。結合凝視與通靈的技巧，將幫助你擴展直覺，提升靈讀的準確度。

學習如何為他人選擇最適合的水晶：

選擇水晶有兩種方式：

- 一是信任直覺與感覺，讓能量引導你；
 - 二是根據出生日期挑選，因為每個星座都對應特定的水晶能量。
- Helen 將分享這些對應資訊，並教你如何應用於自我或他人的靈讀之中。

Atlantean Crystal Readings

with Helen Forty

Crystals have their own intelligence and are willing to help humans.

Learn how to do advanced crystal readings:

Helen will teach you how to channel the energy of a crystal to feel the vibration and gain insight. She will also help you scry, which is the ancient practice of gazing into an object for divination. This combination of scrying and channeling will help you expand your intuition and improve the accuracy of your readings.

Learn how to choose the best crystal for a person:

There are two ways to choose a crystal for yourself or someone else. One method is to trust your intuition and your feeling. This works well. There is a second method based on your date of birth. Every astrology sign has correspondences with certain crystals. Helen will share this information with you and explain how to apply it.

Helen has past life memories from Atlantis including working with crystal wisdom.
