We all form energetic cords to other people and events. Often these cords have a positive purpose, helping to strengthen loving connections. However, once a relationship no longer serves our highest good, these cords make it hard for us to let go and move on; so the cords need to be cut. A cutaway is a cutting of energetic cords.

This is a very powerful technique and it's a very useful skill for a healer to have!

Topics include:

- How to do a general cutaway
- How to cutaway specific energies or people
- Heal past hurts
- Forgiveness
