

Magic Wands & How to use them with Helen Forty

Wands have their own energy and intelligence. They help you focus energy, and make your healing and manifestation skills more powerful. This workshop is about wooden wands that come from trees. They help us connect with the wisdom of nature.

Everyone who attends will receive a hazelwood wand. As part of the process you will decorate your wand to personalize it and claim it as yours.

You will also receive a crystal rune set. We will use these for setting sacred space and calling in positive and potent energies. Topics include

- Decorating & blessing your wand
- Runes and other magic symbols
- How to use your wand
- Casting spells with a wand
- Creating sacred space with runes & wand
- Healing with a wand
- Spell for protection using your wand
- Spell to attract good fortune & positive energy using your wand
- How to invite a tree spirit into your wand to increase its power
- Looking after your wand

1 wand & a set of crystal runes included

Advanced Wands Magic with Helen Forty

This will help you strengthen your confidence in using your wand. All the magic Helen teaches is positive white magic because she believes we are connected to All That Is and everything deserves respect. As you work more deeply with your wand you will also find you become more aware of your own connection to Nature and the Universe. One of the side effects of wand magic is your intuition improves and you become more aware of symbols and messages from Spirit.

Topics include

- Spell to empower yourself with the energies you choose
- Using the runes to gain insight
- Advanced protection spell
- Money spell using runes and your wand
- Connecting more deeply with tree wisdom
