

Parents-

Support your child's dream and create long-lasting memories by purchasing a personal ad for your dancer in our 2024-25 yearbook!

- Fill out your personal ad form (on the back of this sheet).

Pictures for personal ads may be submitted two ways.

- You can send an email to [kelleysdancecraze@gmail.com](mailto:kelleysdancecraze@gmail.com) with an attachment (png or jpg only). Please note that some pictures may become pixilated due to the file size- your best bet is always using a digital image purchased through our photographer.
- If you would like to use any of the pictures from your KDC photography session for your yearbook ad, you must purchase at least one size (wallet, 5x7, etc.) or a digital copy of the picture through the company (Pamela MacIntyre Photography). You can then give me the picture # ('s) from your online gallery, either through email, or submit it with this form (next to the line where it says "picture number").
