LOCAL FOOD CO

*"We are proud to supply
artisan and local food -
made with integrity and
delivered with passion."*

Product Guide 2025

Foodservice & Retail

Hello!

Lincs Table started in March 2021 as a simple idea: to deliver high-quality food and drink from local and artisan producers directly to the doors of commercial kitchens and independent retailers in Lincolnshire and the surrounding areas.

Through local partnerships, we believe in the simple joy of delivering great tasting food, drink and ingredients to restaurants, cafés, pubs, farm shops, garden centres and retailers across our region.

What brings us together better than great food!

A Bright New Chapter

In August 2024, we reached an exciting milestone – moving into our new solar-powered warehouse in Sleaford.

Our larger and sustainably powered space has allowed us to significantly expand our stock, welcome more artisan producers and offer an even greater variety of food and drink to our customers.

This warehouse represents our ongoing commitment to growth, sustainability and supporting small-scale producers and we're incredibly grateful for your continued support as we take this next step!

Introducing Our New Foodservice Range

We're delighted to now offer a high-quality, great value foodservice range designed to compliment our growing selection of artisan and local foods and cheeses in catering sizes.

With everyday essentials like chopped tomatoes, beans & pulses, olives, bouillon, oils, passata and pasta – our expanded range brings even more choice to your kitchen, without compromising on quality.

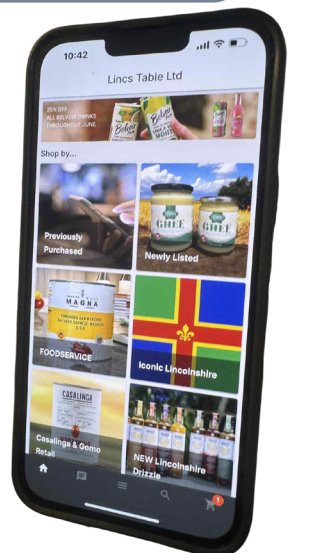

Whether you're running a café, restaurant, deli or event kitchen, you can now source both staple ingredients and speciality products all in one place – making your ordering easier, faster, and more efficient.

Reliable Service, Every Day

We pride ourselves on delivering excellent service and daily deliveries all year round, offering free delivery with a low minimum order.

We're constantly adding new products, and our app is the best way to stay up to date. Ordering is easy – just request a login for our online app at lincstable.b2b.store or click the link on our website: lincstable.co.uk With our app, it's simple: you click, we deliver.
