Product Brochure
2021 /22

Welcome to our NEW brochure to take us from 2021 into 2022.

Lincs Table is a Lincolnshire wholesaler delivering high quality, artisan food and drink to independent food retailers and hospitality in our region.

We stock a wide range of ambient food and drinks, many of which are from small, British and local producers. With our customers in mind, we always look to source new and different products and we regularly send out product samples.

Also important to us, our producers and our customers is reduced plastic packaging, fewer food miles and organic, natural ingredients. We have also increased our vegan friendly and bulk bag options.

What makes us different

A local business and a personal service

A great range of British artisan food and drink

No minimum order and free Lincolnshire delivery

We are committed to working with our customers to get them what they want when they need it and we offer FREE DELIVERY and NO MINIMUM ORDER.

NEW YORKSHIRE PASTA

Yorkshire Pasta want to take pasta back to basics by making pasta slowly and authentically; this is essential for enhancing the flavour of the grain and the pasta's ability to absorb sauces.

They are continually working to be as sustainable as possible, from using a mill that is on their doorstep, to sealing cardboard boxes with paper tape and feeding any food waste to happy cattle. They even have solar panels down at Yorkshire Pasta HQ.
