The Talent Hunt program of Omega Psi Phi Fraternity, Inc. is one of several national programs designed to identify and support the youth of our nation and the world. While the idea was conceived in 1945, the first District Talent Hunt program was held in the Sixth District in Charlotte, North Carolina, on April 19, 1946. The need for such a program was born out of the unequal opportunity afforded to some American youth to develop and give full expression to their talents.

Manhood, Scholarship, Perseverance and Uplift are the cardinal principles upon which our fraternity was founded. In keeping with the cardinal principle of Uplift, our annual talent hunt program promotes academic excellence and talent with the intent of motivating students to pursue excellence through their talents.
