This Memorandum of Understanding (here in after called MOU) was made between Regal Engineering (Here in after called Regal Engineering) and Inspection & Testing Engineers (Here in after called ITE Greater Noida) for Mechanical Testing and Chemical Testing for the raw material, equipment manufactured / fabricated by Regal Engineering at its works and various project sites.

The MOU made and entered on the 01st day of April 2026 between Regal Engineering & Inspection & Testing Engineers (ITE).

Whereas Regal Engineering requires different tests for Weld Joints and raw materials including Mechanical & Chemical testing. Now Regal Engineering and ITE come to an understanding that ITE (approved by NABL accreditation for Mechanical & Chemical Testing of Steel) will require Destructive tests as and when required at Regal Engineering, works and other Project sites.

Further it was agreed that:-

- ITE will provide required testing equipment along with qualified / approved manpower to conduct the tests. The equipment must be as per the client's specification and may differ from client to client.
- Regal Engineering has to send the samples (as prescribed standards) to ITE's Greater Noida Lab for destructive & chemical analysis tests.
- The prices shall be mutually agreed from time to time depending on quantum of tests, client requirements & location of tests.
- Regal Engineering will provide one month's schedule by 25th of preceding month, if any test required by Regal Engineering, else no schedule required.
- 100% Payment shall be released at the time of submission of samples.
- Testing and reporting shall be done as per ITE's approved format and procedures based on requirements of the customer.
- Termination of the MOU shall be mutually agreed and not bounded to each other.

The MOU is valid for 65 (Sixty Five) months from the date of signature i.e.: 01st April 2026 to 31st August 2031.
