

## Dicktionary

Do you swear to uphold these words as the truth, the whole truth and nothing but the truth, so help you all? Mmhm! Don't use these texts in vain. Words have power, and it's time we take the power BACK, out of the hetero, male-dominated normative and have some fun! Yes, these are Agayzing words for everyday usage, in alphabetic order, because, that's how Dicktionary's work.

Feel free to use any and all that you see here. Like a Meriam the Librarian/Webster, this will grow and grow with future added adicktions. So, use any and every one of these that you'd like to, and know that you may need to come back for more in the future Upgaytes.

If you use any of these words on social media, through hashtags, comments, etc. please tag me @1492problems! I love to read, and stan the true spreading of that gayspel truth! Woot woot. Have fun. Be safe! Use these in kindness with one another. And of COURSE, live your truth!

**AGayA:** to replace AKA, Ogay?

**Agayzing:** THE BEST MOST FABULOUS THINGS EVER. But, it doesn't have to be something big in order to qualify. Coffee, gluten free biscuits, happy memories, well spent days, all also qualify as much as a day at the theme park, lottery win, or day with the Queen's.

**Awomen:** forget Amen, it's the women's time to shine! And that's the END of that discussion.

**Days of the Week:** Mongay, Tuesgay, Wednesgay, Thursgay, Frigay, Saturgay, and Sungay. Wednesgay's spelling is not up for grabs. We don't want the heteros to think we do not know how to spell, and therefore are unintelligent. We are a learned people, filled with intent. At all times, let us make sure these words are intentional in their usage Togay and everygay.

**Deets:** all the details, and with a Captiol D, you will note. These are not interchangeable with Fagts, because this is a little bit more on the gossip end of things (gasp) (clutch my pearls). Don't act like you don't love a good gossip! Just, make sure the Deets are pertinent and don't make you a dick. Mmhm.

**Diss-cuss:** talking openly and honestly, but never behind someone's back. Other usages of the word: diss-cussion, diss-cussing, etc. It's your dickcision how to use it, as much as it is WHAT you decide to talk about... so don't be a dick about it.

**Fagts:** as opposed to falsities, or opinions, these are the receipts, the 100% undeniable, swear on an oath, spit out a biscuit, truths.

**Gayme:** do YOU like to play gaymes? Sure you do, because you're a fun individual. So long as it's not gaymes of the heart. Uh uh fam. Uh uh.

**Gayspel:** it is the truth, live it!

**Gaytes:** unlike doors, but also similar to them, these are pearly opportunities that swing open for the community. When opportunity knocks, will you rise to its occasion?

**Judy:** a goddess, inspiration, and ultimate diva that we all wish to be more like. For she never judges! She only Judy's.

**Ogay:** OK. Did you get it?

**Ugay.** JK. This is not a word. Let's get back to it.

**Payne:** the pain one feels for not being paid yet. Alternative usage: you caused me so much pain, I deserve some damn severance pay. Unfortunate usage: the pain one feels when they must pay.
