To
Ruah Foundation Members,

Joyful greetings to you in the name of the Lord!

I bless this initiative of writing a Holy Souls of Purgatory Journal / Diary at this moment in time, when the world is facing the pandemic, and so many souls are heading for their heavenly home.

I would like to thank you for the many Mass stipends that have been sent to our diocese for the Holy Souls and for priests in different parishes, which form part of the Church Militant. On behalf of the poor and children living in poverty, I would also like to thank you for:

- 70 waters plants that have been built by the mission, that supply more than 75.000 people with drinking water.
- Feeding programs for the elderly and children in 16 villages
- Supporting the construction of a poultry farm, helping it to become self sufficient.
- Construction of St. Michael's Church in our diocese.

Rest assured of my prayers and those of our diocesan members.

May almighty God bless you in His Divine Will, and Our Blessed Virgin Mary protects you always.

With kind regards and prayerful wishes

Yours sincerely
