## TO WHOM SO EVER IT MAY CONCERN

January 14, 2021

Prayerful greetings from Bishop Govindu Joji, Diocese of Nalgonda.

I thank you for helping my diocese with your mass intentions. I have received 5000 dollars (in Rs.357756) for celebrating Holy Masses for souls in Purgatory and other intentions. Basing on the list you sent masses are allotted to all the priests in my diocese. I promise a sincere commitment in celebrating all the masses. Our diocese is a mission diocese and we are in need of Mass Intentions for our priests. With your help of mass intentions priests can meet their needs and extend their help to the poor in their Parish.

Thanking you very sincerely in Christ
