Subject: A note of Gratitude for mass intentions help received.

Prayerful greetings from Bishop’s House, Srikakulam.

I, Rayarala Vijaya Kumar, PIME, the bishop of srikakulam diocese write this note to thank you for helping my diocese with mass intentions. I have received masse intentions help and the list to distribute masses.

My priests are already celebrating masses.

Our diocese is a mission diocese. Majority of the faithful are poor and downtrodden. They are spiritually rich but economically very poor in condition because they are mostly daily laborers. There is a real economical crisis in the diocese and I found no masses for the priests. The faithful in the diocese, however we encourage them, their economical condition makes them to offer masses very rarely and occasionally so much so, I find difficulty in supplying the masses for the priests. I will be grateful to you if you can help us to provide some financial assistance through Mass Intentions regularly.

With your help of mass intentions priests can meet their needs and extend their help to the poor in their Parish.

Thanking You,

Yours Sincerely in Christ,

+ Rayarala Vijaya Kumar, PIME
Bishop of Srikakulam
