The Grounds That Gave Birth
to **157 Years of Hope.**

Their Faith Our Foundation

Church Preservation Campaign

A comprehensive effort to preserve a sacred landmark, restore spaces for worship and service, and carry a 157-year legacy of faith into the future.

DEEDS TO DESTINY GALA

An Exclusive Church History Film Premiere

For 157 years, **New Hope A.M.E. Church** has stood as a testament to **faith, freedom, resilience, and community**. Founded by formerly enslaved people, it became a sacred place for worship, education, and belonging, creating a legacy that continues to transform lives today. As part of the church's **Preservation Campaign**, this journey culminates with the premiere screening of ***Deeds to Destiny***, an inspiring documentary that brings New Hope's extraordinary history, enduring resilience, and spiritual legacy to life. Hosted at **MODEx Studio**, this exclusive event offers sponsors the opportunity to help preserve and celebrate a story that deserves to be seen, remembered, and shared with future generations.

WHY NOW?

PRESERVE THE HISTORIC SANCTUARY

Honor its historic facade and character while restoring the interior for safe, accessible worship.

RENEW THE LIFE CENTER

Rehabilitate the spaces that sustain ministry, education, fellowship, outreach, and community care.

CONTINUE THE MISSION

Give future generations a strong spiritual home from which faith and service can continue to grow.

This campaign is an invitation to honor those who built New Hope, restore the spaces they entrusted to us, and ensure that hope continues to rise from these grounds for generations to come.

WHAT IS AT STAKE?

Memory Alone Cannot Preserve a Living Legacy.

Today, unsafe conditions prevent the congregation from holding services in the main sanctuary. A sacred space built to gather people in hope now stands unable to receive them.

THE SANCTUARY

The congregation is displaced from its main worship space because conditions are no longer safe. The restoration will preserve the historic facade and exterior character while renewing the entire interior for safe, accessible, sustainable use.

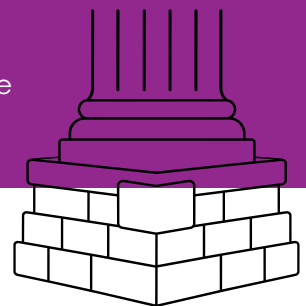

Reopening the sanctuary means restoring the spiritual heart of New Hope.

THE LIFE CENTER

The Life Center also requires rehabilitation to safely support ministry, education, fellowship, youth and senior programs, outreach, and partnerships that serve the wider community.

Renewing this space means strengthening New Hope's ability to serve beyond Sunday morning.

Together, we can preserve New Hope as a place where faith gathers, community thrives, and hope lives on.

PRESERVATION FUNDING FRAMEWORK

TOTAL PRESERVATION CAMPAIGN GOAL \$3 Million

New Hope A.M.E. Church is a 501(c)(3) nonprofit organization.

THE PRESERVATION PLAN

Preserve What Remains.
Renew What Serves.

This historic preservation and responsible modernization will work together so New Hope can honor its past without limiting its future.

THE SANCTUARY

- Protect the historic facade and defining exterior character
- Stabilize and repair unsafe structural conditions
- Restore the interior worship space and architectural details
- Renew electrical, plumbing, HVAC, lighting, and life-safety systems
- Improve accessibility with respect for historic integrity
- Prepare the sanctuary for worship, education, and interpretation

THE LIFE CENTER

- Rehabilitate gathering, classroom, and ministry spaces
- Address safety, accessibility, and building systems
- Support youth, senior, family, and educational programming
- Expand capacity for outreach and community partnerships
- Create flexible spaces for fellowship, service, and events
- Strengthen the church's ability to serve throughout the week

GUIDING COMMITMENTS

PRESERVATION

Honor the craftsmanship, sacred meaning, and historic character of New Hope.

STEWARDSHIP

Use every contribution responsibly and communicate progress with transparency.

CONTINUITY

Create spaces that can sustain worship and community service for generations.

WHAT YOUR GIFT MAKES POSSIBLE

Every Contribution Becomes Part of the Church

A preservation gift is not simply a donation to construction. It is an investment in worship, history, education, community, and the people who will enter these doors long after us.

A SAFE RETURN

Help the congregation return to its main sanctuary with dignity, confidence, and peace.

A PRESERVED STORY

Protect one of Buckhead's most important surviving landmarks of African American faith and community.

A STRONGER MINISTRY

Renew spaces for youth, seniors, families, education, outreach, and fellowship.

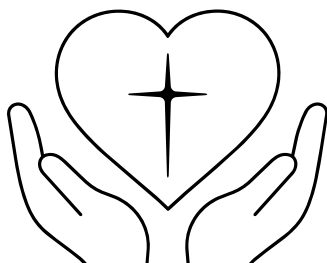

A FUTURE WITH ROOTS

Ensure that future generations inherit both the physical place and the history that gives it meaning.

A GIFT THAT ENDURES

The founders of **New Hope** could not know the names of everyone who would one day worship on these grounds. Still, they built for people they would never meet. This campaign asks us to offer the same kind of **faith to generations** we may never see.

DEEDS TO DESTINY GALA

An Exclusive Church History
Film Premiere
