National Association of Bench and Bar Spouses Foundation

Dear Friends:

The Presidents' Endowment Fund has been established to ensure financial stability for programs sponsored by NABBS Incorporated. As NABBS addresses homelessness, access to higher education, mental and physical wellbeing, community aid for legal issues and transforming lives impacted by disasters, you are encouraged to be part of the solution to the many challenges facing our applicants. This fundraiser has set a goal of \$40,000.00 to be raised between May 1, 2024 and July 1, 2024. Please help us meet our goal.

NABBS Foundation was established over thirty years ago as a 501 C-3 organization. The Dorothy Atkinson Legal Scholarship Fund has successfully opened the doors of many law schools for underserved outstanding students. With your generous contributions, students will be able to pay higher tuition, afford expensive book fees and offset escalating living expenses that burden law school students today. Annually forums are offered at our conventions to educate, motivate, and stimulate our members to be "Advocates for Justice." Any amount that you contribute will be tax deductible. You are invited to donate by check, payable to NABBS Foundation via mail at the address below or online at <https://www.nabbsinc.org/nabbs-foundation> through Pay Pal or Credit Card.

Thank you for your generous contribution. We will continue to transform lives with your assistance.
