- ( \_\_\_\_ ) Cellphone policy

Cellphones are a part of today's society and has become a major distraction for today's youth. Cellphones are also a very expensive item. It is important that here at UYA your youth aviator is not a distraction, or is being distracted to get the full benefits of the material being taught by our Certified Flight Instructors. We will not be responsible for cellphones or electronic devices, lost, stolen or damaged. We will also enforce unnecessary use of cell phones at UYA Programs.

- ( \_\_\_\_ ) Flying Policy

We at UYA will be in strict compliance with all rules and regulations of the Federal Aviation Administration with flying an aircraft in U.S. airspaces. All youth aviators will be instructed and will follow all necessary FAA regulations while at UYA Programs.
