Although baseball is a very individualized sport, we will always emphasize the importance of TEAM>me. Coach Weeks always says “Teamwork makes the dream work!” and we are going to adhere to that phrase.

All Next Level Baseball NC players will cling to the HARD 90 mindset. Everything that we do, we do it to the best of our ability. Whether we walk, groundout or hit a homerun, we will hustle in all aspects of the game. We will respect the game of baseball as it has been here before us and will be here when we are gone. We will always remember “We need baseball, baseball does not need us.”

All individuals affiliated with Next Level Baseball NC will show respect and integrity for the organization and their family. No matter what kind of adversity we will face, it will be done with integrity. At no point will it be acceptable for a coach or parent to use profanity at a player, opponent or official. Violation off this policy will result in your removal from the team.

Our goal is for each player in the organization to have FUN, play hard, build relationships and chase their dreams.
