

MORNING WATCH

for the week of July 18, 2021

FEELING OUT OF CONTROL? FEELING BEWILDERED BECAUSE OF THAT?

IT'S OK! (It's part of His Plan!)

We humans always want to feel "In control".

(Thankfully we really never are!) because

(Again thankfully) "Our Heavenly Father has it all in control."

It is our job to recognize that and to do our best to follow His Plan. (He's got the whole world in His Hands.) And honestly, He knows better than any of us!

Problems? Indecision? Conflict?

GIVE IT ALL TO GOD!

Practice- with little situations.

Give them to God/Watch what happens:

(It may not be what you expected, but it will be even better)

Then move to bigger concerns-- Hopefully you will learn to do this automatically, and --

"God will take care of you!"

The real secret is to realize that there are always three choices:

1. Your way 2. God's way and 3. The Enemy's way.

If the choice you are choosing in any way negative or hateful, it is not God's way. God's way is the way of Love always, (Sometimes it may involve tough love, but it is True Love always.)

He's got the whole world in His hands Don't interfere with it.

BUT-HOW DO WE KNOW?

Make it a practice to talk with Him often. "I surrender all"

He's got the whole world in His hands.

God will take care of you. "I surrender all"
