

MORNING WATCH

for the week of January 30, 2022

(A continuation from last week)

(Thoughts from Janny)

Last week's Morning Watch ended up being about "Not putting off till tomorrow what God has sent you to do today."

what seems to be a conversation I was having with God. (Now you'll have to hear in your head what God is saying--like I did- seemingly.)

"Tell me it'll be OK!! I'll believe it

when I hear You say----

Lord- why are you doin' me this way?

Tomorrow WILL BE OK---RIGHT?

(OK, Your silence points the way--)

Tomorrow, it seems is NOT OK.

(That's not what You're supposed to say!)

BUT---OHHHHHH, You ARE SHOWIN' ME THE WAY! DUH!!!! YES! I get it!

I'm detouring around procrastination and arriving at my destination!

THANKS!"
