

MORNING WATCH

for the week of October 10, 2021

“SEED TIME AND HARVEST

As this Morning Watch is being written

--just hours ago, the calendar turned to October. (Harvest time, right?) Yes, indeed it is. It is also Seed Time.

(The subject matter of this morning watch will not fit in the space-- so it A DAILY MORNING WATCH (which may be ongoing for a while--because it is what DOES GO ON DAILY EVERY DAY!)

This Harvest time--this October- should turn out to be a bountiful one for the farmers, as optimal growing conditions have occurred all Summer long.

However, if you have noticed weeds have taken advantage of the great growing season as well. (Untended areas have become “jungles!”)

This situation is what happens in each of our lives daily. What happens today is the result of what we have planted and allowed to grow daily before this.

THOUGHTS ARE THINGS (Indeed powerful things!)

“The heart is a garden where thought flowers grow,

The thoughts that we think are the seeds that we sow--

Each kind, loving thought bears a kind loving deed,

While a thought that is selfish is just like a weed.

We must watch what we think each minute all day,

and pull up the weed thoughts and throw them away, and plant loving seed thoughts so thick in a row

that there will be no room for weed thoughts to grow.”
