

# MORNING WATCH

for the week of November 7, 2021

## Holiday Reflections. vs Daily Reflections

As we approach the holiday season--the closing of yet another year in our personal lives, we tend to take a look at what is really important. Yes, we are reminded at Thanksgiving of all that we have to be grateful for, and Christmas again reminds us of the Ultimate Gift which we were given.

This morning, tho, let's return one more time to the CAMP Theme which simply would solve all of the world's problems--and especially our own.

**"IS IT KIND".**

Now there are two other extremely important considerations that we need to look at as we try to be kind: 1. "Is it True?" 2. Is it Necessary?

Are you sure that the story you are about to relay is true? Would it be better left unsaid? These two considerations are a very important part of "IS IT KIND?"

**Being Kind is soo far superior to Being Cool!**

**A kind deed or word can change a person's life FOREVER!**

**So can an unkind word or deed**

**FOREVER!!!**

**THINK ABOUT IT, PLEASE???**

**DAILY--"IS IT KIND?"**
