

Morning Watch

for the week of December 19, 2021

SO--EXACTLY WHEN IS CHRISTMAS?

We do not learn this from the Bible. Actually, a confirmed date of Jesus' birth is unknown. In the scope of time, the date of December 25 is a relatively recent decision (by man) as to when our Way shower was born. It is a beautiful tradition and indeed a great time to remember this beautiful gift to mankind by our Heavenly Father... An excellent time to remember the challenges Jesus gave to us--the examples He set for us, and a good time to live up to those challenges. (And seemingly we kind of really almost do - Do that!)

So, why not celebrate Christmas every day?

Why not remember His teachings and examples every day?

Why not love one another

EVERY DAY!

What a beautiful Christmas gift that would be to Him! -- and indeed to THE WHOLE WORLD.

THINK ABOUT IT.
