

# **Morning Watch**

**Post Christmas December 26- 2021**

**And just like that---Christmas is over.**

**So what was it all about?**

**A miracle that happened some two thousand years ago.**

**“The Big Guy” doesn’t go around throwing out miracles for no reason at all.**

**That was not just for fun!**

**Our Heavenly Father sent us the Chance in Eternity to “Get things right.”**

**Today is our chance to begin anew.**

**To “Be everything that we can be, He gave us all the tools.”**

**To “Be everything that we can be. He even gave us rules.”**

**(All wrapped up in that Babe in the manger.)**

**Yes, that Babe gave us the tools and the rules. He was and IS \ our perfect example of how we are supposed to live.**

**Today truly is the first day of the rest of our lives.**

**Will we accept the gift of Christmas and live as He taught us?**

**So simple-- “Love one another.”**
