

Our mission is to “Construct Assured and Motivated People” by providing a faith-based environment that encourages Campers to get to know God by setting the foundation for them to learn to love themselves, become more confident, and find their Special Spark; in doing so, Campers are enabled to use their abilities to become leaders of the greater community.

Hello CAMP Families,

We're excited to announce that **CAMP class sign-ups are now open!** We have several **new classes** this year, and we can't wait for campers to experience them.

Please complete the Google Form and have your camper select:

- **One first-choice class**
- **One backup-choice class**

Class placement is **first come, first served**, and each class has **limited space available**, so we encourage you to sign up as soon as possible!

The Google Form includes a description of each class to help campers decide which ones interest them most.

Please be sure to enter the camper's first and last name when completing the form so we can accurately assign classes.

We look forward to another amazing week at CAMP and can't wait to see everyone soon!

See you at CAMP!
