

# **A MORNING WATCH**

## **FOR EVERY MORNING/ AFTERNOON/ EVENING/ NIGHT**

for the week of February 7, 2021

**TTTFF : Turn To The Father First)**

**I'm sure this is not the most serious time in history, but we're living in THIS serious time.**

**Little, big, MONSTROUS PROBLEMS!**

**(Reminding ourselves) WRONG WORD!**

**LITTLE BIG MONSTROUS OPPORTUNITIES!**

**I think we need to think of this whole crazy era as one humongous Opportunity!**

**But, we need Help!**

**Not a single one of us can fix this by ourselves-but He can!**

**Our Heavenly Father has been waiting to hear from us! Too often we wait to call on Him until our situation is so serious, indeed only He Can help! In reality had we TTTFF in the first place, we might not be in such deep Dodo now!**

**So, This is Morning Watch- the very best time to TTTFF What is your main concern today? TTTFF. Give it to Him!**

**He has all of the best answers .. and then--LISTEN WATCH AND FOLLOW!**

**A new situation this afternoon? TTTFF**

**and do what they say. Any challenge, any day--Before the challenge even!**

**I bet you'll see a difference.**

**OK?**
