

MORNING WATCH

for the week of April 18, 2021

“Rise above the Fray”

“Look Away to Jesus”

God is the same-Today, Yesterday, and Tomorrow.

TODAY

A very old hymn and a CAMP Theme leads us to THE TRUTH.

Every one of us has our own “fray” to deal with -- be it a troubled marriage, workplace discord, illness, financial difficulties, family differences, or any one of a hundred others.

We each have our own BIG CHALLENGES!

Many of us spent an entire week trying to live the theme which deals with “rising above” them--BUT HOW?

Well, we can & perhaps should seek help from a counsellor, advisor, clergy or another expert, but there is MORE POWERFUL WAY:

“Look away, look away, look away to Jesus”

Each of those words is important. Take it apart:

As long as we are putting all of our energy into the problem, it’s going to get worse. (Look Away) (Rise Above.) Now tho we think the world is so much more advanced these days, the problems (the fray) remain the same--but indeed God is the same today as He was yesterday and as He will be tomorrow-and forever. He is the one and only “CONSTANT” in the world, and THE SOLUTION--THE WAY.

RISE ABOVE THE FRAY

by LOOKING AWAY TO JESUS!
