

A MORNING WATCH FOR EVERY DAY!

for the week for May 2, 2021

HAVE I MADE A DIFFERENCE TODAY?

Many years ago, we had a camp theme,

“Have I made a difference?” Like a select few of our themes, this one could very well be our daily theme.

Fact of the matter is the answer to that questions is always, “YES”. We always DO make a difference, but was it a positive difference or a negative one?

“Have I made a difference?”, “Will I make a difference?”, “Did make a difference--TODAY?” These three lines from the camp theme song are key:

“HAVE I made a difference?” – A look back at our life over time/
WILL I? - A good intent. (Unfortunately, my way to (you know where) is paved with good intents. DID I make a difference TODAY?--Good intents and noble dreams are only as good as what we actually do with them. At the end of the day, if we can answer. “Yes”, we will all sleep better. So-indeed, let’s take an accounting of our days, then determine to do better, then DAILY ask, “Did I make a difference TODAY?” --and realize HOW!

Ask the Big Guy for His Help with all of these important questions to yourself:

HAVE I made a difference?

WILL I make a difference?

DID I make a difference TODAY?

You cannot go wrong with Him as your Helper!
