

# A Special Memorial Service Morning Watch

for the week of May 30, 2021

**(A Celebration of Lives who never came to be)**

**Memorial Day has changed through the years to now include remembering not just our fallen soldiers, but also our loved ones who have passed. I believe it's an important day in our lives. This Morning Watch takes it even further--Because Morning Watch is a personal time. It's appropriate that these thoughts are shared in this personal way. In our personal families and in our CAMP family I believe there are vibrationally around us a great number of souls, not normally recognized.**

## **BORN TO DIE**

**Our wonderful wayshower, Jesus, did this. (He taught us lessons and then was gone—way “before his time”--BUT WAS IT HIS TIME? It was, and He knew it. He chose that life.**

**Those souls I mentioned before as “vibrationally around us” are children who did not get a lifetime with us: Those who made it through the birth process, but for any number of reasons, could not survive; Those who were stillborn; and those who were aborted, either naturally or intentionally. These children of God made the decision to not be able to live to maturity in order to teach us the toughest of life's lessons. I doubt that they have abandoned us!**

**THIS MORNING, WE HONOR THEM!**

***We thank you for being a part of us.***

***We thank you for loving us in such an unselfish way!***

***(Beyond Understanding!)***

***We thank you for the lessons you did teach us.***

***We love you and Will always love you.***

***Today, WE CELEBRATE YOU! (I hope someday we get to actually know you!)***

***Thank you God for your Wisdom Beyond our understanding.***
