

A SUNNY MORNING WATCH FOR ALL

for the week of June 20, 2021

“This is the Day that the Lord has made”

FOR US!

As I write this Morning Watch it is the first sunny morning, we have had in more than a week. It makes it easier to think, “This is the Day that the Lord Has made” (Sunshine always makes everything better, doesn’t it?)

Also, as this writer gets a day older each day, she wonders, “What does the Lord expect of me today? I’m still here, so it seems He still has something of worth for me to do today.” But you do not have to be old to realize this. Indeed, each day we are here on Earth is a Gift from our Heavenly Father. Whatever we are supposed to be doing in this lifetime obviously still has more work to be accomplished.

As we begin each morning, it may be wise to take a look at ourselves. We are here for a reason. He has made sure we have all of the abilities to accomplish that task. Are we utilizing those talents? Are we even aware of our talents? Sometimes others are able to appreciate our talents more than we do ourselves. Perhaps it is time to make an assessment of how we are using God’s gifts to us.

**Perhaps “THIS IS THE DAY!
LET US REJOICE AND BE GLAD IN IT!”**
