

# Morning Watch

for the week of 7-10-22

**START-- KEEP GOING-- NEVER STOP**

In our theme song about “Partnership”, the emphasis is on our recognizing the help we have from God and relying on it. However, there is another line in the song that says: “But we must start, Keep going, friend, and Never Ever Stop!”

Perhaps the hardest of these three things is

**START**

**TAKING THE FIRST STEP**

**IS REALLY DIFFICULT!**

(not knowing the outcome.), but God is always there to encourage us, and He is proud that we took that first step!

Where is that first step?

Perhaps with the vision of what can be?

A decision to make it happen?

Learning all we need to help make it work?  
(Even considering the dangers of it not succeeding?)

**“DECIDING” I CAN DO THIS!” AND STARTING!**

**LATER ON, WE’LL TALK ABOUT “KEEP GOING “AND “NEVER STOPPING”**

**FOR NOW -- CELEBRATE YOUR COURAGE to START!**

**WHAT DO YOU WANT TO START TODAY?**
