

# **MORNING WATCH**

**for the week of August 21,2022**

## **DON'T WORRY/BE HAPPY**

**Back in the 80'S there was a calypso song that may remember nearly everyone loved "Don't Worry / Be Happy"**

**Sadly, then along came COVID. Not just the virus , but also unrest, hatred etc. went through a couple of troubled years.**

**Fortunately, CAMP 2022 has turned that around!**

**And once again we can say**

**"DON'T WORRY / BE HAPPY!"**
