ASK

“Ask and ye shall receive,
Seek and ye shall find,
Knock and it shall be opened unto you”
Luke 11:9 / *and also a long ago theme & theme song.*

Many of us are feeling lost these days. Our whole world has been turned upside down and inside out! This morning as I walked in circles--LOST-- THESE THOUGHTS CAME TO ME AND WITH A FURTHER EXPLANATION!

ASK: (The place to start): And our Heavenly Father is Who to ask. He has all of the answers. Sometimes tho, He reveals those answers to us by telling us to--

SEEK: (He wants us to look for the answers ourselves...And answers these days are easy to come by. The internet is full of answers--Just make sure you seek wisely. The internet is also full of lots of misinformation. Another way to seek is from folks who have gone through the same situation as you are in--and surely don't forget: BOOKS! YES, they do still exist, and you may just find the answer you are looking for at a place called A LIBRARY!

This process may take some time. the first answers you find may not fit you or your personal situation. All along the way, do not give up on your first source, God, who as He sees you are really serious about this challenge may just reveal THE ANSWER to you Himself! When you are convinced that you are on the right track:

KNOCK it is amazing how many doors will open to you!

Then, Do not forget another important word, “THANKS!”

ASK-SEEK- KNOCK
