What is CAMP

(Constructing Assured & Motivated People)

- CAMP is a one week "traditional camping program" that gives youth the opportunity to learn new skills and make life-long friends in a spiritual environment.
- CAMP began in 1956 as an outreach of the Gahanna Community Church. It is now an independent nonprofit camp held at Tar Hollow State Park in Laurelville, Ohio.
- Our all-volunteer staff go through background checks and trainings.

What our staff say

"My favorite thing about being on staff is seeing how the camp affects the kids. This camp made me so much more confident in myself and my ability to connect with people and helping kids get to the same place is an amazing thing."

"Being on CAMP staff has helped me be better at quick thinking and multitasking in my everyday life."

"CAMP is my favorite week of the year! Being on staff is so rewarding and humbling. An experience you can't explain. I love meeting new campers and forming lifelong friendships with other staff."
