

FRIDAY MORNING WATCH
Appreciating The Gift of TODAY!!

Appreciating His Gift of Today

Friday! The last full day of CAMP!

How can that be possible?

Wasn't it just yesterday that we came to our first morning watch of the year?

And yet, think of all that we have done this week!

Indeed, how did we fit it all into just one week?

As we do approach the end of CAMP, we have two choices:

1. We can sort of just slow down, and coast on through the rest of the time

OR

We can make the most of the time we have left.

Indeed we could make it the best day yet!

By:

Remembering all the new things we have accomplished this week;

Encouraging others to do the same, and Yes

Using this Good day for --

Making a friend-- For Making unpleasant habits to end!

To learn a new skill--

For:

Remembering that past failures we've had don't mean a thing/ Today's a brand NEW DAY!

(EVEN THOUGH IT'S FRIDAY)

AND ESPECIALLY FOR

APPRECIATING GOD'S GIFT OF THIS NEW DAY.

Sooo, Start waitin' for the next day, and make today the best day- Just make a start,

and God will lead the way!!!
