

Friday Morning Watch

Every Day's A New Beginn',
Every day's a brand new start.
Just start your day out with a grinnin'.
That will help jumpstart your heart.

Well, here we are in our last moments of CAMP 2024. Today we head home and back to the “real world”. Many of us go back to work and most of us begin a new school year.

This week has been special. Just like those frogs in that lake metamorphosize from a tadpole into an adult, many of us have experienced personal growth, a spiritual renewal and a transformation in our faith journey. Frogs reminds us of the importance of embracing change and allowing God to work in our lives. Every day is a gift, a second chance to put a grin on our face, make a start, trust in Him and JUMPSTART our heart. When we put our trust in Him and remember all the amazing moments of smiles, laughter, love and friendship we have shared here at CAMP--HE WILL jumpstart our heart!

“Don’t cry because it’s over, SMILE because it happened.” -Dr Seuss
