

**2022 Morning watch for Friday**

**FINDING MY PIECE OF THE PUZZLE**

**Our special week at CAMP is coming to a close.**

**(Time flies when you are having fun.)**

**It has been lots of fun-Right?.**

**It has also been a time of discovery.**

**(Discovering some talents, courage and abilities we never even knew existed!)**

**A time of making new friends!**

**and especially**

**Discovering more about God,**

**(Our best friend.)**

**I think I am discovering where I fit into the Puzzle that is CAMP**

**and indeed**

**Perhaps even the Puzzle of Life itself!**

\*\*\*\*\*

**All this time I was finding myself, and I did not know I was lost.**

**Avicci, Wake Me Up**
