

**MONDAY  
MORNING WATCH**

**Appreciating His Gift of Today**

**THIS IS THE DAY!**

**(The very first full day of CAMP!)**

**Wow! Exciting!**

**However, if we think about it and if the words to our song are correct, everyday should be exciting, because, if indeed, God did create this day just for us--Wow!**

**So, what should I do with this great gift?**

**Well, I surely don't want to waste it! An old theme song from many years ago was "Use this good day". Maybe that's what I need to do! USE THIS GOOD DAY! How?**

**The choices are enormous--As we begin this special week of our lives.**

**Perhaps:**

**This is the day to make a new friend!**

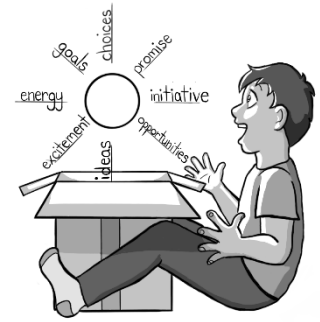

**You know, I'll bet there is a kid here who needs a friend and doesn't know how to find one. Maybe that is what my day today is for--to be a friend to that kid!**

**The best way to make a friend is to be one!**

**This is  
Morning Watch**

**Appreciating His Gift of Today**

**THIS IS THE DAY!**

**Yep! We're gonna do "Watch the morning" --The morning of the first day of a great week....**

**and then we're gonna do this every day!**

**How does it work?**

**1. We find as "alone" of a place as we can.**

**(the only place at camp where no friends are allowed!)**

**2. Become very quiet--Look around to the hills, the lake , the sky. This is the DAY!!!**

**(The Day God created just for you.)**

**3. Realize that He is here with you! YES!**

**and He will help you figure out what to do with this day.  
HOW?**

**4. Start by reading your Morning Watch Paper.**

**THIS IS THE DAY!**

**ENJOY!!!!**
