

**TUESDAY
MORNING WATCH**

Appreciating His Gift of Today

**THO YESTERDAY'S PASSED,
THE LESSONS WILL LAST**

Now our theme song could actually say “yesterday’s past” (Yesterday is past.) Instead it says, “Yesterday’s passed” (Yesterday is passed.) In other words, Yesterday is not just over and done with, but is passed on for our use TODAY! (It’s lessons will last. Hopefully!) Today, Tuesday, is a good time to start to realize what this theme is telling us. How did your Monday go? Did you try a new challenge? Do you wish you had? -- Did you make any new friends? -- Sorry you didn’t? The good part about this life that God has given us is, We get to start all over again TODAY. THIS IS THE DAY/DAY BY DAY! ! ! This week at CAMP is like a micro-lifetime. Wouldn’t it be cool if we could benefit from this week by learning lifetime lessons? -- all the while having fun? Real life is like that, as well! We can continue to learn lessons and benefit from past ones and still be having fun--our whole lives long! Kool! (or as I saw today “KEWL”! Someone’s always trying to be cooler than anyone else.)

Life is a succession of lessons which must be lived to be understood.
