

# THANKSGIVING

November 25, 2021

**“THANKSGIVING” -- The act of showing appreciation.**

**I'm not sure ANY OF US can comprehend the full scope of that. God has chosen EACH OF US to help Him complete His Perfect Vision--A world of Peace, HARMONY, JOY AND LOVE. How is it possible that I can do that? ! Tho it seems not likely that imperfect I can help achieve such a Grand Plan- - But God IS perfect, and He believes that I can!! OHHH my!, Help me to understand His perfect plan for me! Help me know what that perfect plan is.**

**HOW HONORED I AM!--HOW APPRECIATIVE I AM!**

**Thank you, God! A big part of thankfulness is honoring the gift I've been given. To do otherwise would be to “Spit in God's face!” -- and surely none of us would want to do that! In my personal act of “thanksgiving” I do honor the responsibility that you, God, have given me. Today--I thank you, God, for your trust in me. Today--I will begin my quest of finding my part in your Perfect Vision, “A world of Peace, Harmony, Joy, and Love.”**

***May we all find our piece of His Perfect Vision.***
